MARY BALDWIN COLLEGE

Foreword

Many have passed through the portals of Mary Baldwin, and few, if any, have failed to notice the beauty of the buildings. Representing the stateliness of Greek architecture, they are truly a part of old Virginia and a credit to those who attend the college.

For these reasons we have chosen as our theme THE SEVEN LAMPS OF ARCHITECTURE. As the light of these lamps illumines the buildings, they become real symbols of the college life within.

We hope that our use of art and poetry in combining the magnificence of the structures with the spirit behind them will preserve the memory of, not only, the work and good times, but the beauty of the college, as well.

MARGUERITE HILLHOUSE, B.A.
Registrar

Dedication

Miss Marguerite Hillhouse has earned the admiration of everyone connected with Mary Baldwin College for her efficient and untiring work as registrar. She is truly the one who has brought coherence to all activities on the campus. Seldom a day goes by that someone does not drop by her office to pick up bits of information about work, grades, or general scholastic facts.

It is to her that we dedicate this, the BLUESTOCKING OF 1948, in hopes of expressing our gratitude for all that she has done for and meant to us.

In Appreciation

As Dean of Students, Miss Elizabeth Parker has rendered valuable service to Mary Baldwin College.

We wish to take this way of expressing our gratitude for her interest in us and her untiring efforts in our behalf; and for her patience and understanding in dealing with our problems.

HISTORY

Mary Baldwin was founded as Augusta Female Seminary in 1842 by the Reverend Rufus W. Bailey. It was first located in rooms over a cabinet-maker's shop on the corner of New Street and Court House Alley; shortly after, it was moved to the Craig house on Greenville Avenue. Two years later the new school was moved to the present Administration Building.

Mr. Bailey remained Principal of the Seminary until 1849. Under his guidance, the principles of high and sound standards, for which the institution was to be known throughout the years, were formulated.

In 1863, Miss Mary Julia Baldwin and Miss Agnes McClung took over the supervision of the institution. Miss Baldwin overcame the educational difficulties brought about by the Civil War, and through her resourcefulness and determination, the work of the Seminary continued when every other school in this section of the country was forced to close.

Miss Baldwin served as Principal for thirty-four years and during that time the academic level of the courses was raised until the curriculum for the higher classes was paralleled to that of the standard colleges and universities.

In 1895, the name of the institution was changed to Mary Baldwin Seminary by an act of the Legislature of Virginia.

Following the death of Miss Baldwin, the Seminary continued to prosper under the leadership of Miss Ella C. Weimar and later under Miss Marianna P. Higgins.

In 1914, Mary Baldwin became a junior college, and finally a four year college in 1923, when the name was changed to Mary Baldwin College.

As a standard liberal arts college, Mary Baldwin has had three presidents. They are Dr. A. M. Fraser, who became President in 1923, Dr. L. Wilson Jarman, President from 1929 until his retirement in 1946 and Dr. Frank Bell Lewis who was inaugurated as the third President on November 18, 1947.

Her founders' dreams were fulfilled, when Mary Baldwin College was admitted to full membership in the Southern Association of Colleges and Secondary Schools, the Association of American Colleges, and the American Council on Education. In 1938 the institution was placed on the approved list of the Association of American Universities and in 1941 became a member of the American Association of University Women.

L. WILSON JARMAN

President of Mary Baldwin College

1929-1946

This handsome portrait of Dr. Jarman was presented to the College on October 4. It is a gift of the Alumnae and honors Dr. Jarman's faithful years of service to Mary Baldwin. The portrait was painted by Horace Day, well-known portrait painter, and member of the faculty.

VIRGINIA ANNE ALBERTSON

Bethesda, Maryland

Candidate for Bachelor of Arts Degree

Bible

"Ginny" will long be remembered for her marvelous friendliness and sincere interest in people. She was, indeed, a natural choice for the presidency of the Y. W. C. A. her senior year, as well as being a member of the Student Council and the Presidents' Forum. She was interested in several different clubs—especially the Biology Club of which she was a member both her sophomore and junior years. "Ginny" has been active in all church activities, and served as president of the college Sunday School Class her sophomore year. This lovable lass from Maryland has won a place in the hearts of all of us, and we certainly are going to miss her friendly smile next year.

MILDRED EARL ANDERSON

Jacksonville, Florida

Candidate for Bachelor of Arts Degree

Sociology

We could always count on "Mena" coming back in September from her beloved Florida with a positively 'lush" sun-tan. There are many other things that we will remember and miss about this lovable senior. She was chosen to be an usher for two years; she was vice-president of the junior class, as well as being a Freshman Adviser. Her senior year she was house president of Martha Riddle following in the footsteps of her sister. She took an interest in the various clubs on campus, especially the Spanish Club and the International Relations Club. "Mena" has definitely won a place in the hearts of all during her four years at Mary Baldwin.

HELEN DOUGLAS ATKESON

Washington, District of Columbia

Candidate for Bachelor of Arts Degree

Sociology

Helen of the friendly disposition and undying energy has led a full and intriguing life while at Mary Baldwin. Her ability to lead is clearly shown by the fact that she was asked to be a Freshman Adviser both her sophomore and junior years. She has served on various "Y" committees and was a frequent contributor to *Campus Comments*. Helen was the very able president of Hill Top this year, a member of the Student Council, and on the Cabin Committee. Not only does this young lady have brains and leadership, but also talent. We think she can give Larry Parks a run for his money with her very clever rendition of Al Jolson any day.

BETTY CALDWELL BARNETT

Gastonia, North Carolina

Candidate for Bachelor of Arts Degree

History

Betty has had many and varied interests while at Mary Baldwin. She was elected captain of her class hockey team for three years, and her senior year she was selected to be on the hockey varsity. She has played on her dorm basketball team every year, and this year she served as captain. There is no doubt that she deserved her monogram that she won her sophomore year. She served as vice-president of the the Monogram Club her junior year. This year Betty has had many different honors. She was Social Chairman, Chairman of the Cabin Committee, a member of the Club House Committee, and assistant business manager of the *Miscellany*.

BETSY CAROLYN BERRY

Staunton, Virginia

Candidate for Bachelor of Arts Degree

History

Always recognizable by that positively infectious laugh, Betsy is a pillar of the History Department. She has been a member of the International Relations Club for three years and was elected secretary-treasure as a senior. The Spanish Club claimed her interest during her first two years and she has belonged to the Day Student Club since her freshman year. Besty has won a place for herself with her big smile and friendly disposition and we know that her snazzy car has been a constant source of delight to many a Mary Baldwin gal.

ELIZABETH ANNE BLANCHARD

Rocky Mount, North Carolina

Candidate for Bachelor of Arts Degree

Chemistry

As versatile as she is pretty, "Liz" has had quite an active life at Mary Baldwin. Along the athletic line her interest was mainly aquatic. A member of the Swimming Club for three years she appeared in the water pageants time after time and became captain of the swimming team this year. Other extra-curricular activities that "Liz" took part in were softball, basketball, and hockey. During her four years at Mary Baldwin "Liz" has been on the Presidents' Forum, on the YWCA, a Freshman Adviser, on the Cabin Committee, and one of the most active members of the Glee Club.

MARJORIE BROWN

Houston, Texas

Candidate for Bachelor of Arts Degree

English and Psychology

During her four years of college life at Mary Baldwin, Marjorie has taken part in several extra-curricular activities. She has been a member of the Spanish club, the Biology Club, and the International Relations Club. Along the literary line she has been especially active. She has been a frequent contributor to the *Miscellany*. In her sophomore year she served as exchange editor, her junior year as literary editor of the *Miscellany*. Though petite, this Texas miss is a very vital member of the class of '48.

MARTHA BELL BROWN

Staunton, Virginia

Candidate for Bachelor of Arts Degree

Music

None of us will ever forget Martha and her lovely voice which we have heard so often in chapel and on other occasions. Her senior voice recital was one of the highlights of the year's activities and proved most delightful to all those who attended. Martha has been a member of the Glee Club and Music Club since her freshman year and as a senior, was business manager of the Glee Club. She also served on the Y. W. Council in her junior year. Belonging to the Day Student Club for four years, she was chosen as vice-president her last year. We will always remember her for her musical ability, her lovely blond hair, and her friendly manner.

MARGARET CLARKE

Greenwich, Connecticut

Candidate for Bachelor of Arts Degree

Music

One of the Glee Club's most loyal members was "Maggie." Not only a member for four years, but president her senior year. Her last two years she developed an interest in the sports angle by supporting both her dorm and class basketball teams. No one is more deserving of the honor than "Maggie" who was treasurer of her class, and secretary of the Presidents' Forum this year, chairman of the Y.W.C.A. Social Service Committee, and exchange editor of the *Miscellany* her junior year; she also belonged to the Music Club for several years.

DORIS MARIE CLEMENT

Roanoke, Virginia

Candidate for Bachelor of Arts Degree

Psychology

Whenever the weather became cold enough for the Staunton pond to freeze, we could always be sure that Doris would be one of the first to try the ice. Ice-skating was not her sole athletic interest, however. She was an ardent member of the Swimming Club. During her four years at Mary Baldwin, Doris gave her unquestioning loyalty to the Club House. What was it that someone said when calling her long distance one time——"If you can't find her in her dormitory, get them to call the Club House."

BARBARA JEAN CLINE

Philadelphia, Pennsylvania

Candidate for Bachelor of Arts Degree

Psychology

"Bobby" is one of our most active and versatile seniors. She has been a member of the Glee Club for four years, and during her four years here has belonged to the Music Club, the French Club, the Swimming Club, and the Biology Club. She served as the very able president of the Biology Club her senior year and was thus, also, a member of the Presidents' Forum. She was a library assistant for two years, sang in the Chapel Choir her sophomore year, and her senior year she was a Freshman Adviser,' a psychology lab assistant, and served on several "Y" committees.

PATRICIA MENGEL COENE

Freedom, Pennsylvania

Candidate for Bachelor of Arts Degree

English

"Pat's" interests have been many and varied throughout her four years here at Mary Baldwin. She has been a member of the International Relations Club all four years. The Music Club and "reporter" for *Campus Comments* occupied much of her time her freshman year. This year she has been honored by being chosen a college usher and also a Freshman Adviser. If this is not enough to arouse your envy, she is also the proud owner of a mighty good looking frat pin!

HELINE ITAMAR CORTEZ

Fortaleza, Ceará, Brazil

Candidate for Bachelor of Arts Degree

Bible

Right from the first Heline won a place for herself in our hearts and in her class. Coming from Brazil, she was a perfect member for the Spanish Club and was secretary her sophomore year and chairman the next. To say that Heline was outstanding in her work with the Y.W.C.A. would be a mild understatement. During her four years here she was elected chairman of the World Fellowship Committee, secretary of the Y.W.C.A., chairman of the Devotional Committee, and vice-president of the Y.W.C.A. Heline managed to appear on the Honors List semester after semester. Is it any wonder that she was elected to "Who's Who Among Students in American Universities and Colleges" as a final tribute?

HELEN LOUISE DE VORE

Hagerstown, Maryland

Candidate for Bachelor of Arts Degree

Art and Spanish

Her last year at Mary Baldwin finds Helen vice-president of the Spanish Club and a Freshman Adviser. Helen, one of the artistic members of her class, can frequently be seen around the campus painting familiar scenes. This year she was bestowed one of the highest honors that can come to a student at Mary Baldwin—that of being elected a member of the Mary Baldwin Honor Society. Besides making honors semester after semester while at M.B.C., Helen has found time to write for the *Miscellany*, to work on the staff of the BLUESTOCKING, and to be an active member of the International Relations Club.

NANCY LEIGH DIDLAKE

Manassas, Virginia

Candidate for Bachelor of Arts Degree

Sociology

"Diddy" has divided her interests at Mary Baldwin among the Biology, Spanish and Dramatic Clubs of which she was a member during her freshman and sophomore years. She has been a capable Freshman Adviser her sophomore and junior years and was vice-president of her senior class, showing the recognition of her talent as a leader. Her poise, beauty and charm are assets which led her to be elected a college usher her junior year and a marshal her senior year. Her vivacious personality has won all of us to her friendship, and we will miss her sparkling presence.

DOROTHY LEE DRUMHELLER

Waynesboro, Virginia

Candidate for Bachelor of Arts Degree

English

"Dot" came to us from Mary Washington in her sophomore year and we have grown to like her very much for her pleasing disposition and sense of humor. During her years at Mary Baldwin, she has been a member of the Day Student Club and in her senior year, belonged to the Art Club also. One can easily guess that "Dot" is one of our English majors after being around her for only a few minutes, for it is her constant topic of discussion.

ELLEN EDMUNDSON ESKRIDGE

Pulaski, Virginia

Candidate for Bachelor of Arts Degree

English

Ellen is so versatile that she would have been an asset to any class. On the athletic side she supported her class in swimming, basketball, softball and was a member of the Monogram Club. To illustrate her many talents her junior year she was elected as social chairman of her class, and business manager of *Campus Comments*. Beauty and poise are two important phases of Ellen's personality. Not only was she a college usher her junior year, chief marshal and represented in the beauty section of the BLUESTOCKING her senior year, but also Dream Girl of the Pi-Ka Fraternity at Hampden-Sydney. To a girl deserving such honors went the coveted position of May Queen.

DOROTHY LEE ESTEP

Cumberland Gap, Tennessee

Candidate for Bachelor of Arts Degree

History

"Dottie," claiming Tennessee as her home state, is one of our brave and industrious students who decided to try her hand at teaching. What is your verdict on the subject, "Dottie"? Quite a Mary Baldwin club fiend she claimed membership in the Dramatic Club and the Biology Club her freshman year, the following year adding the Spanish, International Relations, and Current Events Clubs to her interests. Her senior year "Dottie" served as secretary of her class.

ELVA JULIA FIFER

Staunton, Virginia

Candidate for Bachelor of Arts Degree

Psychology

We are all grateful to Elva, and those like her, who served in the WAVES during the war. Elva completed two years at Mary Baldwin and after several years of service, returned in 1946 to finish her requirements for graduation. She has been a member of the Day Student Club throughout her years at M.B.C. and belonged to the History Club during her senior year. All who know her will remember her for her warm smile and her charming personality.

MARGARET COLEGATE GETTY

Wilmington, North Carolina

Candidate for Bachelor of Arts Degree

Psychology

This fair North Carolinian throughout her four years at Mary Baldwin has been an active member of the Glee Club. Her freshman year she also had the honor of being asked to sing in the Chapel Choir. She has been a member of both the Biology Club and the Dramatic Club for three years. Her sophomore year she worked on the circulation staff of the *Campus Comments*, and as a senior she made one of the best Freshman Advisers ever.

MARTHA BREWER GODWIN

Suffolk, Virginia

Candidate for Bachelor of Arts Degree

Speech

Martha's activities at Mary Baldwin have been so many that we hardly know where to begin. On the artistic side she has been very interested in dramatics, belonging to the Dramatic Club four years and taking part in "Kind Lady," and "Judge Lynch." She was student director of "Junior Miss" and "R.U.R.", having a role in the latter. Martha was freshman representative to the Y.W.C.A., and has since then been treasurer and vice-president. Her senior year was a busy one. She was chairman of the Club House Committee and vice-president of the Student Government. To end a perfect four years she was chosen to be a May Queen attendant.

THELMA LUCILLE GREENLEE

Charleston, West Virginia

Candidate for Bachelor of Arts Degree

Music

The musical side of Mary Baldwin would not have been the same without Lucille. Just to illustrate her many musical feats, she was a Glee Club member for four years, belonged to the Chapel Choir and sextet for two years, and was a member of the Music Club for three years. Lucille did not limit her talents to music, however; she contributed to both the *Miscellany* and *Campus Comments*. A Freshman Adviser and a member of various Y.W.C.A. committees are some other activities that Lucille participated in while at M.B. C.

MARY SUE GROSSO

Lexington, Virginia

Candidate for Bachelor of Arts Degree

Music

Mary Sue is not only a girl of talent but also one of beauty. She served as president of the Music Club her junior year and accompanist for the Glee Club her senior year. Mary Sue represented Mary Baldwin at the Apple Blossom Festival her junior year, and this year she was an usher, and an attendant to the May Queen. She has been on several "Y" committees throughout the years, was a Freshman Adviser, a member of the Presidents' Forum, an associate editor of the *Miscellany*, and was a member of the Chapel Committee.

ELIZABETH CRADDOCK HARDIN

Salisbury, North Carolina

Candidate for Bachelor of Arts Degree

Sociology

"Lib" certainly poured her wonderful pep, energy, and enthusiasm whole-heartedly into her life at Mary Baldwin, as can well be seen by the numerous activities in which she participated. She was a member of the Art Club all four years, and a member of the French Club for two. While a junior she was the treasurer of her class, a Freshman Adviser, and a member of the BLUESTOCKING staff. This year she served as the very capable president of her class and was a member of the Presidents' Forum.

MARY MARJORIE HARRIS

Chattanooga, Tennessee

Candidate for Bachelor of Arts Degree

English

If one were searching for competence they need look no further than "Peg." She began working on *Campus Comments* as a sophomore. Her junior year she acted as managing editor, and she was the very capable editor this year, as well as serving on the Constitutional Committee of the Virginia Intercollegiate Press Association. There is no doubt that she deserves the place she won for herself in "Who's Who Among Students in American Universities and Colleges." "Peg" was an ardent member of the Spanish Club, serving as president her junior year. She was business manager of the BLUESTOCKING her junior year, also, and has been a member of the Presidents' Forum for two years.

ROSE BRADFORD HARRISON

Winston-Salem, North Carolina

Candidate for Bachelor of Arts Degree

History and Sociology

Although Rose is small in stature she has been mighty in her activities while at Mary Baldwin. She has played in the tennis and badminton tournaments all four years. She has been a member of the International Relations Club for two years. Her junior year she represented Mary Baldwin at the International Relations Conference. She is also one of the chosen few who has served as Freshman Adviser for two years. Rose has been a frequent contributor to both the *Miscellany* and *Campus Comments*, acting as features editor for *Campus Comments* her senior year.

MARTHA SNELLING HIGGINS

Spartanburg, South Carolina

Candidate for Bachelor of Arts Degree

History

The International Relations Club has had Martha as its faithful member and officer, for she was both treasurer in her junior year and vice-president in her senior year. Martha has also taken an active part in another field, being in her junior year a member of the Fellowship Life Service Committee and a member of the Fellowship Discussion Group. Her senior year she was a Freshman Adviser. While we shall remember her for the part she has played here at Mary Baldwin, we cannot forget her beautiful red hair which we have all envied and admired.

LELIA JO HOOK

Swoope, Virginia

Candidate for Bachelor of Arts Degree

Art

Lelia Jo is one of our talented artists and we are all envious of her rare ability. During her years at Mary Baldwin she has been a member of the Day Student Club, serving on various committees, and belonged to the Art Club her last two years and as a senior, she was secretary-treasurer of this club. The quiet type by nature, she is found to possess quite a sense of humor as one learns to know her. We wish you the best of everything in your career, Lelia Jo.

LYLE VIRGINIA IRVINE

Frankfort, Kentucky

Candidate for Bachelor of Arts Degree

Art

Lyle of the skillful paint and brush has certainly distinguished herself for four years at Mary Baldwin. She has served as both assistant and associate art editor for the *Miscellany,* and has helped to "put over" many of the class parties by her skillful and clever decorations. Drama has claimed the interest of Lyle also. She has acted in several plays, and her senior year designed the setting for the fall production, "R. U. R." as well as both directing and acting in the one act play, "The Lady of the Lark Spur." Lyle also found time to serve on many "Y" committees and to support the hockey team of her class.

BETTY JO JORDAN

Staunton, Virginia

Candidate for Bachelor of Arts Degree

Psychology

Ever wondered just what could be the cause of that sudden between-class breeze? Why, that's Betty Jordan dashing to the Club for her habitual and life-saving cigarette! One of those versatile people, she has served on the Business Staff of *Campus Comments*, production staff of the fall play during her junior year, Editorial Staff of the *Miscellany*, assistant business manager of the BLUESTOCKING, and been a member of the Day Student Club. She acted as a Freshman Adviser during her senior year. Because of her noted artistic ability, the Art Club has also claimed her membership. A real bridge fiend, she makes an always ready and willing fourth.

MARY MORGAN KEY

Atlanta, Georgia

Candidate for Bachelor of Arts Degree

Speech

Just as "Merry" as her nick name implies, she has been a favorite member of the class of '48. She has made several stage appearances among which were "Kind Lady," "Suppressed Desires," and "The Lady Who Came To Stay." She was on the light committee for "Junior Miss," and she was assistant director of the fall production, "R. U. R." She was secretary-treasurer of the Glee Club her sophomore year, and her junior year she was house president of Chapel. Her senior year finds "Merry" president of the Dramatic Club, a member of the Presidents' Forum, on the Chapel Committee, and a reporter for *Campus Comments.*

GERTRUDE ELIZABETH KING

Batesburg, South Carolina

Candidate for Bachelor of Arts Degree

History

The Biology, Music, and French Clubs must have held a fascination and interest for Betty because they have had her loyal support while she has been at Mary Baldwin. Her ability to get along with people is evident, for she was chosen to be a Freshman Adviser both her junior and senior years. Her interest in current events, in keeping up with the world, was expressed by her being a member for three years of the International Relations Club. This sweet girl from South Carolina with her quiet, reassuring ways, has made many friends who will miss her next year.

HELEN LOWELL KINSER

Orange, Texas

Candidate for Bachelor of Arts Degree

Psychology

"Pee Wee" was the swimming wonder of Mary Baldwin. She has been an ardent member of the Swimming Club since her freshman year, holding such offices as secretary and treasurer both her sophomore and junior years. For four years she was on the varsity swimming team. "Pee Wee" always starred as one of the most important participants in the water pageants and with the ability that she displayed it was no surprise when she won the individual swimming cup her senior year. She was a member of the Biology Club for four years, serving as vice-president her last year.

HELEN ELIZABETH LANE

Washington, District of Columbia

Candidate for Bachelor of Arts Degree

History

One of the things for which the school will remember "Dusty" is her dependability and competence. Because of it she was selected, and proved to be, the capable business manager of *Campus Comments* her senior year. Coming from Washington D. C. might explain "Dusty's" interest in international affairs. She was president of the International Relations Club and represented Mary Baldwin at the International Relations Conference at William and Mary her senior year. She also found an interest in the French Club and was a member of the Chapel Committee her junior year. You always know when "Dusty" is in the vicinity by that jolly and frequent laugh of hers.

MARY ANNE LEWIS

San Antonio, Texas

Candidate for Bachelor of Arts Degree

Spanish

If Mary Anne, with that Southern drawl and those cow-boy boots of hers, is a typical example of a true Texan, we are all convinced that Texas must be a pretty wonderful place after all. With her friendly disposition she made such a good Freshman Adviser her sophomore year that she was selected to be one again the next year.

Mary Anne was a loyal member to the Spanish Club, being a member for four years and president her senior year, and also belonged to the International Relations Club. Her senior year she was on the Presidents' Forum and one of the Circulation Department assistants for *Campus Comments*.

MARY READ LILLY

Charleston, South Carolina

Candidate for Bachelor of Arts Degree

English

Literary, scientific, athletic, dramatic and academic are but a few words which briefly characterize Mary's interests and the part which she has played on the campus. Since she transfered from the College of Charleston to Mary Baldwin her sophomore year. Mary has been a member and officer in the Biology and French Clubs; a member of the dorm and class basketball teams and has received bowling and ping pong awards. She was editor of the *Miscellany* and features editor for the *Campus Comments* her junior year and on the Presidents' Forum both her junior and senior years. Mary has attained the honor of being in "Who's Who Among Students in American Universities and Colleges" and has truly been an asset to our college life.

ANN McCORMICK LUCAS

Staunton, Virginia

Candidate for Bachelor of Arts Degree

Music

"Luke" is another one of those music majors whose various performances have always been enjoyed. We all marvel over her ability to reach those high notes with such ease and clarity. She has been one of the "hard-workers" of the Day Student Club for four years and also a member of the Glee Club since her freshman year. As a senior she belonged to the Art Club, Spanish Club, Music Club, and served on a Y. W. Committee, proving her varied interests. Always one to love a good time, we will remember her for her sense of humor and carefree manner. We'll miss ya next year, "Luke".

RUTH JONES McBRYDE

Ft. Defiance, Virginia

Candidate for Bachelor of Arts Degree

English

"Jonsey" is one of those gals that M. B. C. will really miss, for her winning ways and jovial manner have captured the hearts of all who know her. She has taken an active part in musical activities, being a member of the Chapel Choir, Music Club, and Glee Club, serving as business manager of the Glee Club in her junior year. She has proved herself to be a worthy member of the senior class, acting on the Student Council and Presidents' Forum and as president of the Day Student Club, of which she has been a faithful participant all of her four years. As if all this were not enough, she is one of those "p. c.'s" whose name frequently appears on the Honors List. We will always remember "Jonesy" by her favorite (and questionable!) remark, "I promise".

HARRIET PURCELL McLEAN

Wagram, North Carolina

Candidate for Bachelor of Arts Degree

Sociology

Harriet's many activities show that she is one who likes to take part in things and who always does her part. She was a member of the Glee Club for two years, of the Spanish Club for three years, and of the International Relations Club for four years. She also joined the Dramatic Club her freshman year and was on the circulation staff of the *Campus Comments*. Her senior year she held such executive positions as that of being on the society staff of *Campus Comments* and business manager of the *Miscellany*. Thus she has displayed literary and musical abilities. "Baby Harriet's" friendliness and fun-loving personality have captured us all.

LUCILE PALMER McMICHAEL

Reidsville, North Carolina

Candidate for Bachelor of Arts Degree

Mathematics

Lucile is one girl that needs no introduction. Since she had that responsible position as treasurer of the Student Body we have all had rather close contact with her at one time or another; if in no other way by paying our student budgets to her. Sciences seems to rate high among Lucile's interests. Claiming the Biology Club to be her favorite, she was a member for several years and was elected as treasurer her senior year. To illustrate further her interest in science she was a chemistry lab assistant her junior year.

JEANNETTE PARHAM

Oxford, North Carolina

Candidate for Bachelor of Arts Degree

English

Jeannette is one of those girls who has participated in about every activity that Mary Baldwin has to offer. She began her outstanding journalistic career her freshman year by contributing to *Campus Comments* and has since then been Editor of the BLUESTOCKING, editor of the *Miscellany*, and news editor and contributing editor of *Campus Comments*. She has been a member of the French Club, Dramatic Club, and the Glee Club and on Presidents' Forum two years. Her junior year she was our representative to the International Relations Club Convention. She has frequently been on the Honors List and really deserves her membership in "Who's Who Among Students in American Universities and Colleges."

MARTHA SUE PERSINGER

Lookout Mountain, Tennessee

Candidate for Bachelor of Arts Degree

Spanish

A love for softball and Spanish was shown by Sue during her four years at Mary Baldwin. She was a member of the Spanish Club all four years and a member of the softball team for three. During her junior year her interests included science, and she also became a member of the Biology Club. Being a Freshman Adviser her junior year and a member of her dorm devotional committee her sophomore year completes her many activities. The term "Sweet Sue" is one which really fits in this case and one by which she will always be remembered.

MARTHA ANNE POOL

Winston-Salem, North Carolina

Candidate for Bachelor of Arts Degree

Art

"Mopsy" will be remembered as one of the jolliest, friendliest, and most industrious members of her class, having that marvelous gift of being able to get along with anyone. Her record of athletics shows that she holds no favorites in the sports field. During her four years she has taken part in hockey, basketball, volleyball, and softball, held various positions on the A.A., and was a member of the Monogram Club. On the executive side she was house president of McFarland her junior year, house president of Fraser her senior year, and a member of the Executive Committee on the Student Council. She has served on many decorating committees, was a member of the Dramatic and Music Clubs, and a reporter of *Campus Comments*.

LILLIAN WESSON RICHARDSON

Memphis, Tennessee

Candidate for Bachelor of Arts Degree

English

It would indeed be hard to find a better example of personality and exuberance than "Lill" has shown in her four years at Mary Baldwin. She has been an outstanding member of the A. A. She was treasurer her sophomore year, secretary her junior year, and president her senior year. Not all of this attractive Memphian's interests were directed towards sports, however. She has contributed both to the BLUESTOCKING and to *Campus Comments*. "Lill" has also served on several "Y" committees. This year she was a member of the Presidents' Forum and the Student Council. We think "Lill" well deserves her place in "Who's Who Among Students in American Universities and Colleges".

BETTY GORDON ROBERTS

Radford, Virginia

Candidate for Bachelor of Arts Degree

Sociology

We need but to glimpse at Betty's record to see that she has been an outstanding leader her four years at Mary Baldwin. Her freshman year she was treasurer of her class. She was vice-president her sophomore year, and her junior year she was president as well as being a Freshman Adviser and a member of the BLUESTOCKING staff. This year she is a dorm president, the chairman of the Freshman Advisers, a member of the Student Council, and once again a member of the Presidents' Forum. Betty has been a member of the Glee Club for the past three years and has participated in many of its concerts.

MARTHA CONNOR ROSS

Morganton, North Carolina

Candidate for Bachelor of Arts Degree

Psychology

What's your idea of a wonderful house president? Ask anyone who lived in Sky High last year or Rose Terrace this year, and the answer will be Martha Ross! The fact that "Mot" was one of those unusual people who was elected as house president for two years proves that she really must have made a good one. "Mot" has had membership in the Dramatic Club, Spanish Club, and International Relations Club, and has served on the Nook Committee of the Y. W. C. A. and Chapel Committee. "Mot" was treasurer of her class her junior year, and during her four years at Mary Baldwin she has contributed to *Campus Comments.*

MARY JACQUELYN SILER

Humboldt, Tennessee

Candidate for Bachelor of Arts Degree

Mathematics

"Jackie" a Tennessee lass, is one of those remarkable girls who claims mathematics as her major. During her four years at Mary Baldwin "Jackie" has been one of our most frequent visitors to Annapolis. Every time we turn around she is taking off to a Navy football game or a hop. "Jackie" has been a member of various clubs, including the Dramatic Club, Music Club, and the International Relations Club. We might add that she made a very successful Freshman Adviser her senior year.

HELEN ELIZABETH SWORTZEL

Stuarts Draft, Virginia

Candidate for Bachelor of Arts Degree

Bible

All of us are very proud of Helen as she is a member of the Mary Baldwin College Honor Society, thus receiving the highest award our college offers. All of those who know her will remember her for her ever-willing hand, be it serving on a committee or translating that "just-too-hard" Spanish passage. Helen has belonged to the Day Student Club for four years and in her junior year was a member of the Life Service Group. Having many interests, it was hard for her to decide the field in which to specialize, but she has chosen to be a Bible major. We hope to be hearing great things of you in the future, Helen.

HARRIET MIDDLETON WALDROP

The Plains, Virginia

Candidate for Bachelor of Arts Degree

Psychology

For three years "Ham" was a boarding student at Mary Baldwin and the summer after her junior year she gave the whole school a thrill by getting married. Lucky for us, she and Luke made Staunton their home and "Ham" was able to continue at Mary Baldwin by being a day student this year. Her senior year she was social chairman of her class. This together with keeping house probably kept her busy.

VERA MOULTON WALL

Savannah, Georgia

Candidate for Bachelor of Arts Degree

Biology and Psychology

"V's" campus life has been one of varied interests as shown by her participation in many different activities. She was a member of the Dramatic and the Spanish Clubs her freshman and sophomore years, and since her sophomore year she has been a faithful member of the Biology Club. Her senior year she held the position of circulation manager for *Campus Comments*. Her amiable personality has been a great contribution to her fellow college students and we are glad that Savannah has sent her to us for awhile.

IRMA ELINOR WEATHERSBY

Memphis, Tennessee

Candidate for Bachelor of Arts Degree

Sociology

Elinor's activities have been many and varied: a member of the Spanish and International Relations Club for three years, and a member of the Student Council for two. She was vice-president of the class her sophomore year as well as being a representative on the BLUESTOCKING staff. She was secretary of the Student Council her junior year. At the end of her junior year she was elected to the highest of honors —the President of the Student Government. Chairman of the Presidents' Forum, on the Y. W. C. A. cabinet, and a member of the Executive Council. We are all very proud of this capable Memphian, and of course she is in "Who's Who Among Students in American Universities and Colleges".

ALMA MATER

Thou wast born of dreams, Mary Baldwin, Mary Baldwin,
Woman's dreams of love and true desire;
Conqueror's dreams with passion's ardor glowing
Caught from Truth's undying, pure white fire.
Born to live, to perish never,
To inspire to high endeavor,
To uphold that light forever,
Mary Baldwin.

Thou wast built of dreams, Mary Baldwin, Mary Baldwin,
Dreams of faith, the dreams of early dawn.
Thou shalt live beyond time's farthest limit;
Dreams shall last when walls of stone are gone.
Born to live, to perish never,
To inspire to high endeavor,
To uphold that light forever,
Mary Baldwin.

SENIOR SONG

(Tune: "Londonderry Air")

While mountains guard thee in the Shenandoah,
And loyal daughters daily look to thee,
The spool of happy days is fast unwinding
Its colors rare for memory's tapestry.
The tall white columns gleaming in the sunlight,
The moonlight casting over all its spell,
The scarlet autumn, and the winter snowflakes,
Oh, Mary Baldwin, can we say "Farewell"

May laughter ring, and dreams be ever golden,
Along the terrace there above the street,
May friendships live like truth's white flame a-glowing,
Like truth's white flame that never meets defeat.
Where'er we be, we'll cherish with fond happiness,
That golden tapestry of memory's spell,
And ever we our faith and love will pledge thee,
So, Mary Baldwin, hail and farewell.

ELEANOR MARGRAVES EIDSON

Markham, Virginia

December 1, 1926—September 16, 1947

On the morning of September 16, 1947, the senior class was deeply sorrowed by the loss of one of its members, Eleanor Eidson of Markham, Virginia.

Eleanor was born in Markham, the older of two girls. She graduated from high school in Front Royal, Virginia, where she was an active participant in dramatic productions and a member of the Hi-Y. Following in the footsteps of her grandmother, Eleanor entered Mary Baldwin; and in the fall of 1944, she became a member of the class of 1948.

"Byna," as she was known by her closest friends, immediately displayed an interest in college activities by joining the Dramatic, Music, Art, and Spanish Clubs. A psychology major, Eleanor was also to have been a Freshman Adviser during her senior year, had she returned. While at college she worshipped at the Trinity Church in Staunton and was a member of the Episcopal Church in her home town.

During a special service on October 9, 1947, a hymn board for use in the college chapel was presented as a memorial to Eleanor, by her class. It has been said of her: "Perhaps her life was not fulfilled in years, but it was complete in that she upheld the highest principles and ideas which many, though more mature, have never known."

"What is lovely never dies,
But passes into other loveliness."

ALDRICH.

THE STUDENT GOVERNMENT ASSOCIATION

The Honor System of Mary Baldwin is one of the most important aspects of the college. Based on honor and individual responsibility the honor system applies to every phase of our college life and helps to create an attitude of trust and understanding.

It is an accepted fact that when a group of people live together there must be some form of regulation or government. In our system of cooperative living, the Student Government Association combines the judicial, legislative and executive phases. This type of organization also facilitates harmony between the faculty and the students.

This type of self-government widens each student's education by preparing her to accept her place in the world after leaving college.

By fostering such high ideals it is the desire of the Student Government to further the interests of Mary Baldwin College and always to inspire to high endeavor.

THE Y. W. C. A.

The Young Women's Christian Association of Mary Baldwin is made up of the entire student body, as the only prerequisite for membership is genuine interest in its activities. This organization stresses mental, social, and spiritual development, with emphasis upon student participation in all projects.

The work of the Y. W. C. A. is headed by the officers and cabinet members who are selected by the student body and the president of the organization. A Faculty Advisory Board and Miss Mary E. Lakenan, our sponsor, advance adult counsel. Members of the Advisory Board are: Miss Emma Holman, Mrs. Vega M. Lytton, Miss Ruth McNeil, Miss Elizabeth Parker, and Mrs. Martha Grafton.

The new year on campus officially begins in the early fall with the Candlelight Service in the Chapel and on the front terrace. It is a recognition service for all the old and new members. The previous year's activities are renewed at once, and new projects lift their heads. Weekly visits to the girls of the V.S.D.B., frequent calls at the Betty Bickle Home, helping at the Negro Day Nursery, Peanut Week, the Life Service Group, special vesper services, such as Thanksgiving, Christmas, and Easter, are only a few of the traditional activities.

Each cabinet member has a committee composed of from five to ten girls. Each committee consists of a representative from the Day Students and one from the Freshman Class. The Day Student representative to the Cabinet, together with the day student representatives from each committee carry the influence of the Y. W. C. A. to the other day students. The Freshman representative, and the Freshman representatives to each committee, act as a Freshman Cabinet to better acquaint the members of their class with the work of the Y.W.C.A.

The work and interest of our Y.W.C.A. is not just on the campus, in the city or in the state, but is nation wide and world wide. Through the World Student Service Fund drive we sent money and clothing to those who need it abroad. We send C.A.R.E. packages overseas too.

There are abundant opportunities for Christian service on our campus. The Y. W. C. A. is a challenge to every student to let her "light so shine among men that they may see his good works and glorify his Father which is in Heaven." (The Y.W.C.A. motto.)

THE CURTAIN CALLERS

MERRY KEY.....*President*
PEGGY REID.....*Vice-President*
BETTYE JO BUESCHER..*Secretary-Treasurer*

The Curtain Callers have as their objective to encourage participation in dramatic activities for training and enjoyment. In order to become a member of the group each girl must earn three points; one for acting, one as a stage hand, and the third point may cover acting or stage crew work. The club meets once each month and the meetings consist of dramatic entertainment and discussions. The club members present two major productions each year. Karel Capeck's "R. U. R." was presented in November under the capable direction of the club's sponsor, Dr. Fletcher C. Collins, Jr.

BIOLOGY CLUB

BARBARA CLINE.....*President*
HELEN KINSER.....*Vice-President*
LUCILE McMICHAEL.....*Secretary-Treasurer*
SARAH DEGGE CALDWELL,
Publicity Director

The purpose of the Biology Club is to give all students who are interested in any phase of this science a chance to promote an understanding and appreciation of it mainly through field trips, hikes, movies, speakers and discussions. The initiation and promotion of scholarship is our foremost objective. Dr. Lillian C. Thomsen, our sponsor, has done so much in guiding and advising our club activities.

INTERNATIONAL RELATIONS

HELEN LANE.....*President*
MARTHA HIGGINS.....*Vice-President*
BETSY BERRY.....*Secretary*

Mary Baldwin's International Relations Club is one of more than eight hundred I. R. C. organizations throughout the world and is sponsored by the Carnegie Endowment for International Peace.

The promotion of a more active interest and understanding of world peace is the aim of the club.

Outstanding speakers are regularly scheduled to speak before the group.

The club has sent delegates to regional I. R. C. conferences at William and Mary College and the University of North Carolina.

The faculty adviser of the club is Dr. Mary Swan Carroll.

STUDENT CLUBS

MUSIC CLUB

BETTY LANKFORD.....*President*
MARY SUE GOCHENOUR.....*Vice-President*
BETTY RUFF.....*Secretary-Treasurer*

In order to become a member of the Music Club, one does not have to be able to play a scale nor even carry a tune. There is only one requirement, and that is to be able to appreciate music. At some of the meetings, musical performances are given by music students, the faculty, and guests. At other meetings, lectures are given on different composers and their works. The club also gives receptions for the guest artists appearing at the college during the school term. Throughout the year the Music Club also sponsors trips to Richmond where the students attend various types of concerts.

GLEE CLUB

MARGARET CLARKE.....*President*
BETTY BUCHANAN.....*Secretary*
MARTHA BROWN.....*Business Manager*
BETSY CARR.....*Publicity Director*

The Glee Club affords to all the college an opportunity of participating in, or listening to, good music. It purposes to promote a deeper appreciation of serious choral music.

At the beginning of each session members are selected by means of tryouts, open to all students and required of music majors.

Sacred and secular concerts are presented throughout the school year at the college, in Staunton, in neighboring towns and universities. Joint concerts with men's college glee clubs are also scheduled several times a year.

In addition to its performances, the Glee Club sponors well-known groups of singers in concerts at Mary Baldwin and in Staunton.

ART CLUB

PENNY WEST.....*President*
BOBBY BROOKS.....*Vice-President*
JO HOOK.....*Secretary-Treasurer*

The Art Club is sponsored in order to promote a wider understanding and interest in art.

The club is organized so as to enable anyone who is interested in any phase of art to participate in the meetings. Its activities are planned in accordance with the desires of the members.

STUDENT CLUBS

SPANISH CLUB

MARY ANNE LEWIS.....*President*
HELEN DEVORE.....*Vice-President*
ROBERTA BROOKS.....*Secretary-Treasurer*

The purpose of the Spanish Club is to encourage interest in the Spanish language and to familiarize students with Spanish life, customs, and literature. In order to do this the club programs include Spanish games, parties, and talks, conducted at informal gatherings. The club deeply appreciates all the assistance given by the sponsor, Miss Rebecca Marriner.

FRENCH CLUB

MARY READ LILLY.....*President*
ADRIANE HEIM.....*Vice-President*
FRANCES HEMENWAY.....*Secretary*
MERCER PENDLETON.....*Treasurer*

If Le Cercle Francais could choose a motto, it probably would be "French can be fun," since the monthly meetings of the club are given over to this theme. As only those students who have completed second year college French are eligible, it is not an impossible task to carry on the meeting in French, anglicized though it may be at times.

Games, movies, skits, "night club" entertainments and parties are all a part of various programs, while natives of France are welcome speakers.

Sponsor for the club is Miss Clare Flansburgh, who is always helpful in the planning and carrying out of the programs.

DAY STUDENT CLUB

RUTH McBRYDE.....*President*
MARTHA BROWN.....*Vice-President*
NANCY LEE COHEN.....*Secretary*
BETSY WHITE.....*Treasurer*

Mary Baldwin has approximately forty day students. The Day Student Club was organized so that these town students would have a chance to participate, as a unit, in the various campus activities. The activities of the organization get under way before school opens in the fall when the new students are entertained at a picnic. Besides the routine business meetings, several popcorn and coke parties are held throughout the school months. Each year the day students sponsor a tea for the local high school and Stuart Hall seniors, the purpose of which is to get more girls interested in coming to Mary Baldwin. The president of the Day Student Club also serves as their representative on the Presidents' Forum and on the Student Council.

Betty Barnett, Katherine Potts, Finley Andrews, Martha Godwin, Jackie Edwards, Betty Stamey.

CLUB HOUSE COMMITTEE

Hardly a day passes that a friend doesn't say, "Let's run over to the Club for a coke or to play bridge." Our Club House is one of the most popular places on campus, because here we can relax and take life easy for a few minutes of each day while we listen to the vic playing. Saturday night we may see dates sitting around the fireplace or on Sunday afternoons for an informal tea.

On the Club House committee are members of the freshman, sophomore, junior and senior classes, who are appointed by the chairman for this committee. Their duties are to see that the Club House rules are observed and that neatness is maintained. Social functions are sponsored by the committee from time to time and it is also in charge of selling concessions each night from 9:30 until 10:30.

During the day the Club is ably directed by Miss Esta Holt of Staunton.

MARY BALDWIN HONOR SOCIETY

The Mary Baldwin Honor Society was founded in 1932. The purpose of the organization is to promote and recognize scholarship. The college, always ready to foster academic excellence, is pleased to honor those who have achieved such distinction and hopes that the Society will prove to be a challenge and an inspiration to all students of the institution

Membership in the Mary Baldwin Honor Society is based primarily on scholarship. Students who maintain a certain high academic standing throughout their college course are eligible for election in their junior or senior year. Members are elected by the faculty at the end of each semester and may not exceed ten per cent of any one class.

ALGERNON SYDNEY SULLIVAN AWARD

The New York Southern Society, in order to perpetuate the memory of Algernon Sydney Sullivan, through whose efforts the Society was founded, in such a form that shall be most expressive of his character, established an award to be made in certain Southern colleges, to one member of the graduating class of each institution selected. Each school may present this award to another person, not a member of the student body, in whom accomplishment and service are outstanding, and who shall have some interest in, association with, or relation to said institution.

At the 1947 Commencement this award was presented to: Mrs. Emily Pancake Smith of Staunton and an alumna of Mary Baldwin who by her willingness to assume responsibility for community welfare and to provide leadership for useful enterprises, has given generously in community projects of her time, talents, and devotion. Alice Wilson of Greenfield, Ohio, a member of the Class of 1947 and president of the Student Government Association.

These two students, with the competent guidance of Miss Fannie Strauss, select the remainder of the staff from the junior class with the exception of a sophomore representative and a freshman representative.

The assimilation and organization of material begin in the fall and, with the patient and untiring help of Miss Fannie, end in May.

To the senior class of 1948 and all those who are associated with the college, we, the editors, present the BLUESTOCKING with the hopes that we have captured for you a few of the highlights of this year. As you turn through these pages in the future, may you be reminded of the joys, friendships, and activities of your college years.

We would like to express our thanks to the following students who have worked with the staff: Vivienne Hutchens, Margaret Hooks, Joan Weldie and Bidley Evans.

Campus Comments the weekly newspaper of Mary Baldwin, is published by the students of the journalism class along with others who are interested in reporting the campus news. Dr. Mary Swan Carroll is the faculty adviser who carefully guides the "four estaters" in their journalistic efforts.

The paper has won the rank of All American-Superior from the Associated Collegiate Press for the last three years and for several other semesters. At the fall meeting of the Virginia Intercollegiate Press Association, which was held at the University of Richmond, *Campus Comments* rated first among all the college newspapers of Virginia. The paper previously had won first place and second place honors before the Virginia Intercollegiate Press Association disbanded for the duration of the war.

The aim of *Campus Comments* is to give the students a paper which will inform them of all the important campus news, and which they will find interesting regarding both the lighter aspects of their social activities and the more serious events such as editorials on world affairs.

With the cooperation of the entire student body, the faculty adviser, and Dr. Lillian Thomsen, the staff photographer, the staff of *Campus Comments* endeavors to publish a weekly paper which reflects the life of the average student at Mary Baldwin.

ATHLETIC ASSOCIATION

LILLIAN RICHARDSON
President

To promote good sportsmanship, to encourge leadership, and to instil a lasting spirit of enjoyment in every student for all forms of recreation are the dominant purposes of the Mary Baldwin Athletic Association; it has been toward this goal that the Council, with the guidance and encouragement of Miss Ruth Reid and Miss Jane Hartman, has been striving this year. The athletic program began with welcome letters sent to the freshmen and a "Gym Day" in their honor on the first Saturday of the school year. The next outstanding event was the annual Athletic Picnic on the following Saturday with the class and faculty skits and athletic competition.

A chapel program was given by the association cabinet to explain the various activities offered and the approximate dates of the seasons. Hockey, as usual, was the leading sport of the fall and again the school sent players to the Virginia Field Hockey Association field day this year held at Mary Washington in Fredericksburg, Va. Golf too was held in the fall with new interest and zest due to the driving range and putting green at the athletic field. The next major sport was swimming with the climax coming at the meet, having this year a large participation. The pageant will be held in the spring. Basketball, the general favorite among sports reigned over the winter season. Softball in the spring will conclude the major sports.

Minor sports were of unusual interest this year with the real beginnings of golf, breakfast hikes, ping pong tournaments, badminton tournaments, bowling, pool, and volley ball. The highlight of these came during exams in the "Rec of the Week" contest for the most recreational participation during this period. A preliminary tennis tournament was held with finals planned and a tennis trip to Richmond and other schools for competition. Archery too increased in participation with the novel William Tell shoots and balloon shoots.

A carnival was given for the whole student body, breakfast hikes were taken, parties were held after each major sport with each sport having some kind of play day activity, a party for the Girl Scouts was held, and Blazers were sold. The climax of the year's activities came with the Athletic Association banquet and the presentation of awards.

This then has been this organization's purpose for the year—not only to complete the well rounded college student's program but to reach every girl as often as possible and by doing so give her the benefits—moral, physical, and social—offered by her participation in these recreational activities. The cabinet has striven to enlarge the program with new and different ideas.

HOCKEY

Varsity Team

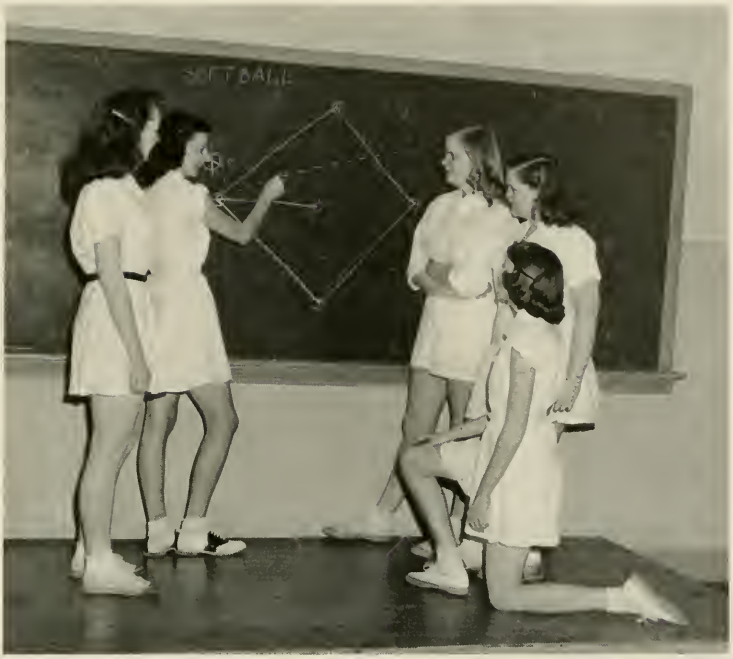
Left to Right: Adriane Heim, Cynthia Betts, Emme Martin, Amie Trask, Mopsy Pool, Betty Barnett, Pat Rice, Lill Richardson, Betty Farrington, Mary Eberle, Nancy Buckley

In the fall hockey season opens the official program of the Athletic Association. Both those unfamiliar and those experienced in the game show great enthusiasm. Class teams are organized for intramural games, this year won by the freshman, with the juniors second.

The acme of sucess for every hockey player this year was to be chosen for the team sent to Mary Washington College for the Hockey Play Day of the Virginia Hockey Association.

Another honor was membership in the varsity team selected from those who have participated on class teams with skill, sportsmanship and interest. This team was chosen by the hockey sports leader, class captains and the hockey coach.

SOFTBALL



Left to Right: Peggy Harris, Margaret Hooks, Moselle Palmer, Betsy Lankford, Betty Bailey

One of the major sports of the college is softball. A Faculty-Student game is one of the highlights of the annual A. A. picnic which is held early in the fall. Another big game is held on "Apple Day", later in the fall, after everyone has participated in the apple picking and eaten his fill.

A real interest in softball comes with the first warm days of spring. Class teams are formed, and great interest is shown in the intramural tournament. The final game of the season is played by those girls who are interested in playing for fun, and is followed by a picnic at the Athletic field.

The softball varsity is chosen from those girls who have played on their class teams and shown outstanding ability, enthusiasm and sportsmanship. A cup is given to the winning intramural team at the Athletic Association banquet at the close of the school year.

BASKETBALL

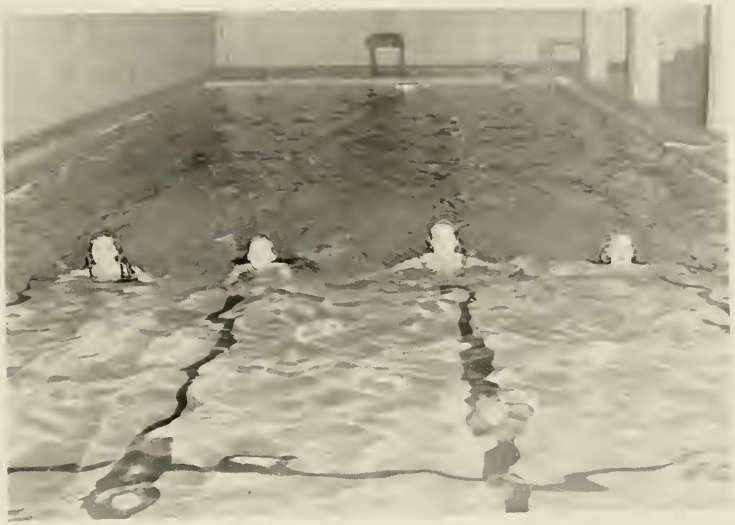
Left to Right: Betty Farrington, Betty Barnett, Hannah Todd, Lee Doremus, Ev Lacy, Ellen Eskridge, Mosel'e Palmer, Betty Bailey, Nancy Cohen.

Basketball is the major winter sport on the campus. As soon as short days and rainy weather bring the hockey season to a close, the basketball enthusiasts hurry up to the gym, anxious to get the "ball rolling". The dormitory teams are organized and practices scheduled, the cheer leaders make up tricky yells and gather the lusty voices of the dorm around them, willing hands offer to cut oranges at half time for the thirsty players, and then the fun really begins with the games.

The dormitories are organized into two leagues. The "Big League" consists of the four larger dormitory teams and the "Little League" is composed of the three smaller dormitory teams and the day student team. Each team is eager to be the winner of the plaque. Besides the regular tournament games, there are practice games every Wednesday afternoon. These promote the spirit of friendly competition between the dorms and accustom the players to regular game situations.

Later come the class tournament and the awarding of the class cup. The season closes with the traditional Faculty-Senior game.

SWIMMING



Left to Right: Peggy Reid, Helen Kinser, Hannah Todd, Clara Jane Burroughs.

Swimming at Mary Baldwin is one of our all season sports. Every year classes in beginning, intermediate, and advanced swimming are taught by qualified instructors. At one time during the school term a course is giving in Life Saving, Functional Swimming and Water Safety according to the American Red Cross for which the participants are given authorized certificates. For three weeks in April an instructor's course in Life Saving and Water Safety is given for those girls who have met the requirements. After the Swimming Meet in the fall, girls making high total scores are chosen to be members of the College Varsity Swimming Team. This choice by way of high points is the only requirement of the team.

MINOR

POOL

Pool is an ever popular game with all. The table by the post office is the center of interest between classes and meals and while waiting for the mail to be put up. The table in the gym is ever popular throughout the day and especially during "nook hours". Interest is raised by the keen competition between faculty and student players. Hints and posters for better pool shots are handy by the tables and arrangements were made for Mr. C. C. Peterson to demonstrate and teach trick shots.

BADMINTON

Interest runs high in badminton during those months when badminton skills and tactics are being taught in class. Both a singles and doubles tournament are held and awards given by the A. A. The finals in both tournaments are played while spectators cheer for their favorites.

HIKING

Hiking is everybody's sport! What could be more refreshing and invigorating than a brisk jaunt to the park for breakfast.

TENNIS

Tennis might be termed the outstanding sport for fall and spring at Mary Baldwin; for it is at these times that one finds the courts in constant use. When pretty weather arrives those who live near-by hear the ping of the ball from daybreak to dusk.

It is during these seasons that beginning, intermediate, and advanced courses in tennis are offered by the Physical Education Department.

This year tournaments were held in both the fall and the spring. The matches were offered to anyone who desired to enter, and members of all the classes were among the competitors for the cups which are offered each year for the doubles and singles matches in the spring.

BOWLING

Beginning with exam week and running as long as the cold weather lasts, bowling is one of the most popular sports on campus.

During exam week, groups go to the "Y" every morning and awards are given both in duck and ten pins for the highest scores. After exam week, the groups go down every Saturday morning and awards are given for the highest average scores in duck and ten pins.

SPORTS

MODERN DANCE

The modern dance class has become very active on the campus this year. The purpose of this group is to demonstrate self-expression through the medium of movement. The climax of the modern dance classes is the artistic dances for the Commencement Pageant on the front terrace.

Hiking affords an opportunity for informal get-to-gethers where students can forget the cares of the day.

PING PONG

Ping Pong is one of the games that will never die on campus. It runs from the opening of the school year until the close of the doors in June. The season can best boast of a tournament in the fall, the winner of which is given an award by the A. A. The finals are a big event where the finalists play the matches before a group of interested spectators in the Mirror Room.

GOLF

Golf is played in the fall and then with renewed vigor in the spring. Both instruction and practice are given on the practice green at the Athletic field. The Ingleside golf course provides a wonderful opportunity for playing the game.

ARCHERY

Archery is an all year round activity, except when snow covers the ground. Over last year, archery has grown tremenduously. This fall, a great many girls could be seen shooting on the archery range at most any time of the day. There were many shoots scheduled that tried to avoid shooting just at the target. Some of these events were the balloon shoot, clout, and the William Tell shoot. This spring, the archery practices will be built up toward the archery tournament. The winner of this final event receives a cup at the A. A. banquet. The purpose of archery is to promote more interest in sports and give futher activity to those who enjoy and want to improve their ability.

The Monogram Club is composed of those students who have earned and received a college monogram from the Athletic Association. They work for the welfare of the college and the A. A. This year the Monogram Club has developed as its function an officiating class in which the techniques of officiating are learned.

A student to be eligible for her college monogram, must have consistently represented her class and dormitory in athletic projects and must have worked to spread interest in these activities.

The prospective member must have been a member of five class or dormitory teams representing at least three different sports. Not only must she play on the teams but also show an effort to improve and have sportsmanlike conduct in all college activities.

SWIMMING CLUB

HELEN KINSER

KITTY MAKEPEACE
Secretary-Treasurer

CLARA JANE BURROUGHS
Publicity Chairman

The Swimming Club is now called The Dolphin Club. To be a member of this club a student must pass certain requirements including ten laps of the pool, one lap in thirteen seconds, three dives and three strokes in good form. In spite of these entrance requirements there are more members of the club this year than ever before. The club has a number of special events and is active all year. Because of this, a new official was elected to serve as publicity chairman. The two main events of the year are the Swimming Meet and The Water Pageant. Anyone in the college may enter these events if she desires to do so. Thus the purpose of the club is to promote swimming for every girl in the college.

She Walks In Beauty

Lord Byron

She walks in beauty, like the night
Of cloudless climes and starry skies,
And all that's best of dark and bright
Meet in her aspect and her eyes;
Thus mellowed to that tender light
Which heaven to gaudy day denies.

One shade the more, one ray the less,
Had half impaired the nameless grace
Which waves in every raven tress
Or softly lightens o'er her face,
Where thoughts serenely sweet express
How pure, how dear their dwelling-place.

And on that cheek and o'er that brow
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow
But tell of days and goodness spent,
A mind at peace with all below,
A heart whose love is innocent.

On the following pages are the girls selected by popular vote to represent Mary Baldwin in the Beauty Section of The Bluestocking. These are presented in the order chosen.

THE QUEEN OF THE PAGEANT

ELLEN ESKRIDGE

ATTENDANTS TO THE QUEEN

MARTHA GODWIN

MARY SUE GROSSO

APPLE BLOSSOM PRINCESS

ELLEN FINLEY ANDREWS

The Apple Blossom Festival is held annually each spring in Winchester, Virginia. This year the Festival took place on April the twenty-eighth and twenty-ninth. It has been the custom of Mary Baldwin to send a representative to the Queen's Court, and this year our princess was Ellen Finley Andrews of Roanoke, Virginia. The representative is selected by the adminstration and is usually a member of the junior class and from Virginia. Ellen Finley was particularly well qualified for this honor as she was elected to the Beauty Section of the 1948 BLUESTOCKING.

LYNCHBURG, VIRGINIA

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
